Outcomes Of This Session

- To enlighten you about how important a web presence is
- Open your eyes up to many opportunities on the web
- Provide you with an understanding of the processes behind it all
- Start to look at marketing from different angles

What's The Purpose of a Website?

- Build a presence
- Generate leads
- Sell Products/ Services
- Establish you as a authority

Where The Heck Do I Start?

9 Steps To Success On The Web

1: Serious Web Strategy

2: Domain Names

- Godaddy.com
- Crazydomains
- Just google it.
- Try and have the name of the benefit in the domain name, WHY? fitnessbootcampsgoldcoast.com
- Doubleyourdating.com ,
21dayrapidfatlossblueprint.com
- .com vs .com.au

3: Get It Built

- Find someone to build it/ not a friend
- Outsource and odesk.com, elance.com
- Blog Vs CMS
- However you will need to know how to upload a post, pages, add a testimonial, videos

4: What Plugin's Do I Need & Why

- Aweber, constant contact, I contact.....
- Seo, plugins
- Facebook
- Social Media
- Shopping Cart, Pay pal, WHY?

Database System/ Aweber

- A way of collecting leads via Optins

Are you searching for the "right" Internet business?
An Internet business that builds your list, generates cash, AND creates passive monthly income that keeps coming in...and does it all on near autopilot?
Well, no was I, but I... (the promises out there I am VERY skeptical of "do it all")
...and then I stumbled upon this VIDEO...

DAY 1

a video of a complete Internet business that shows clear PROOF of its list building, cash generating, and passive income producing POWER.

I have to admit, I was SHOCKED!

I'd love to know what your favorite secret tip is?

My favorite tips are #5 and #12. Having trained hundreds of individuals in a one on one setting these two principals are the standouts. Especially when it comes to creating a habit.

But i'll be totally honest I think they all rock.

I also want to let you know of something i am sure you will love.
